# ENERGY & CLIMATE HACK

Decarbonising Cities

27<sup>th</sup> & 28<sup>th</sup> October 2020  
Berne, Switzerland

## INSPIRE ACTION TO DECARBONISE CITIES!

Cities are accounting for 70% of the planet's CO2 emissions. Therefore their efforts towards decarbonisation and energy transition play a central role.

Heading towards the global climate conference COP26 in Glasgow, a two-day hackathon brings together young talents from Switzerland and the UK: On October 27-28th, 2020, the **ENERGY & CLIMATE HACK** invites you in to push forward new ideas for urban decarbonisation.

Be part of the hackathon and accelerate the change towards energy-efficient and climate-friendly cities!

## ENERGY & CLIMATE HACK

From  
**Tuesday, 27th of October 2020, 9 am**  
to  
**Wednesday, 28th of October 2020, 6 pm**  
in  
**Berne, Switzerland**
